TURBOWASTE PERSONAL IDENTIFICATION NUMBER (PIN)

The PIN number below provides you access to TurboWaste.Net, the Washington State Dangerous Waste Electronic Reporting application. The Web address for the TurboWaste.Net application is https://fortress.wa.gov/ecy/turbowaste. Please go to this Web address and select the option to create an account. Provide your RCRA Site ID and PIN when prompted. You will then be asked to setup a user profile for future access to the application.

By default, the user who sets up the application is given the Administrator role. The Administrator has the option of establishing additional "data entry" type roles so that others may have access to the application for this RCRA Site ID Number. Please refer to the application help for a definition of user roles.

RE: 2006 Washington State Waste Annual Report

Mr. Brown,

Please find the attached copy of the Alaskan Copper Works 2006 annual dangerous waste report. This report has been submitted electronically to the Washington State Department of Ecology as of this date and a hard copy with signature (ROMIC as Agent on behalf of Alaskan Copper Works) mailed this date.

ROMIC will contact Ecology next week to confirm receipt.

Please add this copy to your annual reporting file. You need take no further action regarding 2006 annual reporting.

Your 2006 TRI report is due March 1, 2007. You will receive a copy of that report by February 15th 2007.

We will be conducting a site visit later in the quarter to inspect your environmental records for proper filing.

Feel free to contact me should you have questions, concerns, or inquiries regarding environmental and health and safety issues.

Sincerely,

Matthew Dunn
